HELP REQUIRED

Without voluntary help from you the parent's teams cannot be entered into the CICA competition. Old Boys Collegians Juniors are unique in providing professional coaching during the week for all grades. There is no requirement to help with coaching if you do not wish to. The most important help that is required by parents is to act as managers for their child's team. The role is very small; it includes some communication with myself and parents in the team. Then on a Saturday co-ordinate who's doing what; gear bag, scoring, umpiring, team playing order etc. Every parent has the responsibility of their child and so should be at games anyway and it's about everyone taking their turn. So the role of manager is a coordinator, not someone that does everything.

You will see the section on the registration form that asks for Team Help. The more people that tick this box the easier the role of manager is because it's shared. So please offer a small amount of time to help the team your child plays in. If you require more information about the role of a Junior Team manager, please check the website for the job description. You will also note a Club help tick box, this is if you are able to help out with the general running of the club, fundraising, working bees, gear bags, administration etc.

TEAMS

All Teams will be announced on the website **19th September 2011** please contact Mandie after this date if you do not have access to the internet.

COMMUNICATION

The website has all the information you will need during the season, team lists, coaching times, cancellations, upcoming events, draws, results, and links to other useful sites. We will also be passing on important information by email, so please supply your email address so we can get the latest information to you quickly.

To help OBC communicate more effectively with its members we would like to offer you this service. It provides members with the opportunity to register to receive a text message for cancellations, venue changes, defaults, practice cancellations and other urgent notifications. It costs nothing to register but does cost you 50c for each txt notification received. A small price for possibly some substantial savings in time, petrol, money and unnecessary running around. Just tick the box on the form and SportCheck will register your mobile phone number as listed. It's that easy.
